Lenten Dinners Off to a Great Start

By Tony Colasurdo

Dear Brother Knights,

Our Lenten Dinners are off to a great start. We prepared and served up dinner for 242 adults and 61 children this past Friday. Some other statistics..70lb of Tilapia, 25 lb of fried fish and 20 lb of rice.

It was nice to have Fr. Francis back as he brings another level of enthusiasm to the kitchen and many from the Transfiguration community were happy to see him.

It was also great to see so many of you come out to prepare, serve and have some fun. Serving three hundred people is no easy task and all of you made it look easy. At the peak ... (6-6:30 PM) you served up 111 adult and 23 children's meals. Thank you brothers for you continued support.

A special thanks to those of you who stayed around to clean. This is a dirty job but someone has to do it.

Thank you to the ladies auxiliary for their help and support with dessert, drinks and selling plates.

I look forward to seeing all of you on March 2 . Bill Shields will be preparing his special "Shrimp Scampi"

God Bless,

Tony

you may prefer the Jersey offer:

For \$32 you get a "replica" Thrashers jersey with Kari Lehtonen and the #32 printed on the back as well as a \$38 ticket. Each purchase of a \$32 dollar ticket upgrades you to a \$38 seat and a free replica jersey! The jersey alone is worth the price! The jersey is a but only a replica; therefore, the Thrashers emblem and the numbers and name are transfers. The jersey itself is great quality but is not a real hockey jersey but sure is made to look like one. If you would like to see the jersey contact me and we can work it out.

1. If you wish to attend I will require payment no later than March 12th. We will proceed in the same manner as the last time:
Please write a check to my name "Dominic Telaro" for the amount and clearly state the option you are choosing and the number of participants you are paying for.
2. Place the check in an envelope with my name and Knights of Columbus, clearly printed on it, and then put it in the offertory. The church staff will place it in the K of C mail and I will pick it up on the following Monday.

Please call me with any questions 770-309-8567 or e-mail me at dtelaro1@bellsouth.net

Remember, this is YOUR newsletter By Ken Sadeckas

Most of you have probably noticed that over 90% of the newsletter is a rehash of individual emails that were sent during the month. I have heard from some of you that this is great – one stop shopping.

But really, this is really done because I am not getting articles to put in this rascal. At one point all of the directors promised to regularly send me articles, but even those that started have faded.

Perhaps it is because the newsletter has not always been published at the same time. (although lately it has been the end of the month, just so I can keep my promise of one a month). In the future I will try to get the newsletter out the week after our first monthly meeting. This means that I need articles by the Saturday following the meeting. For the next edition, this means by March 17th.

I will send out reminders (if I can remember) but you can add these submission deadlines to your Outlook, Day-timer, Blackberry, Calendar, or tape it to your refrigerator.

Thank you, I feel better now.

For the good of the order...

I have been asked by a Brother Knight to mention that ours is a fraternal, benevolent, and social order, not a political one. Please refrain from using meetings and K of C communication outlets to push a political agenda. Thank you for your kind attention.

FRATERNAL BENEFITS COLUMN Sal Rongo

"I already have insurance at work."

Many jobs offer some form of group life insurance. Often, this insurance is an employee benefit provided at no charge, or for a small co-pay. Knowing that this coverage exists may convince someone that he doesn't need to discuss personally owned life insurance with an agent. That could be a mistake.

Most forms of group life insurance are limited in amount. That amount may be tied to a salary or some other benchmark, but often there is a cap. That cap may be dangerously low for your family's needs should you die. In fact, without a needs analysis (which I'll be happy to provide, free of charge), it may be completely unrelated to needs at death. In addition, the amount of group insurance offered is almost always reduced – and sometimes dramatically – when you retire.

Especially today, there is the very real possibility that you could lose your job. Or that your benefits could be reduced. In either case, you can find yourself without coverage. If your health has changed in the meantime, you can find yourself out of luck. While group life helps, it does not replace the need for individually owned life insurance. I'll be happy to meet with you and your family and provide a free, custom-tailored needs analysis, so that you'll know exactly where you stand. You will be helping your family and your council. Please give me a call.

A LITTLE LEVITY

AN ATHEIST IN THE WOODS

An atheist was walking through the woods.
"What majestic trees!
"What powerful rivers!
"What beautiful animals!"
he said to himself.

As he was walking alongside the river, he heard a rustling in the bushes behind him. He turned to look. He saw a 7-foot grizzly charge towards him. He ran as fast as he could up the path. He looked over his shoulder & saw that the bear was closing in on him.

He looked over his shoulder again, & the bear was even closer. He tripped & fell on the ground. He rolled over to pick himself up but saw that the bear was right on top of him, reaching for him with his left paw & raising his right paw to strike him. At that instant the Atheist cried out, "Oh my God!"

Time Stopped.
The bear froze.
The forest was silent.

As a bright light shone upon the man, a voice came out of the sky. "You deny My existence for all these years, teach others I don't exist and even credit creation to cosmic accident." Do you expect Me to help you out of this predicament? Am I to count you as a believer"?

The atheist looked directly into the light, "It would be hypocritical of me to suddenly ask You to treat me

as a Christian now, but perhaps You could make the BEAR a Christian"?

"Very well," said the voice.

The light went out. The sounds of the forest resumed. And the bear dropped his right paw, brought both paws together, bowed his head & spoke:

"Lord, bless this food, which I am about to receive from thy bounty, through Christ our Lord, Amen."

*Blessed are those who can give without remembering,
And take without forgetting.*

Council 10362 Yahoo e-mail Group

As most of you know, we have set up a group message address in Yahoo.com. This allows us all to send messages to all of our Brother Knights by addressing your e-mail to a single address. You don't have to maintain all the separate e-mail addresses; the group will manage that for you.

If you do not think you are in the group (because you only get the newsletter and no other Knight's e-mail) or you know of a Brother Knight who is not in the group, here are the instructions to join:

To get set up, send a blank e-mail to KC10362-subscribe@yahogroups.com (if after a week or so, you do not receive acknowledgement, check to see if **your** e-mail server has sent the KC10362 e-mail to its spam folder (some programs do this automatically for e-mail from groups) and then tell your e-mail that KC10362 does not send spam.

To send a message, address it to:
KC10362@yahogroups.com

To leave the group, send a blank e-mail to:
KC10362-unsubscribe@yahogroups.com

Only members of our Council will be allowed to join and send messages to the Group. Contact Dennis Esler at scouter075@comcast.net if you have any questions.

Did you know a Brother Knight (or his Lady) can help you.....

As a Brotherhood of Catholic gentlemen we need to help each other out when we can, so if one of us needs a plumber, lawyer, accountant, etc., we ought to see if one of our Brothers can help us out before we hire some stranger out of the Yellow Pages.
